Call for Papers

Abstract deadline: December 1st, 2005

Please keep in mind that the deadline for abstract submission is December 1st, 2005. The Congress welcomes posters covering Clinical case reports, Dental Materials, Endodontics, Operative Dentistry and Prevention (also open to oral hygienists). Prospective participants are kindly requested to submit an English language abstract for a maximum of 3.500 characters (blanks included), before December 1st, 2005, in printed and electronic format (MS-WORD), to CIC Edizioni Internazionali Corso Trieste 42, 00198 Roma, Italia, e-mail:difrancesco@gruppic.it. Abstracts should include the following items:

- ◇ Title of the paper;
- ◇ Full names and affiliations of all the authors;
- ◇ Name and contact details of the corresponding author;
- ◇ The main contents of the proposed contribution;
- ◇ The poster session to which the paper should be more properly addressed;
- ◇ Abstracts/posters must be organized in: 1. Introduction and aim of the study, 2. Materials and Methods, 3. Results, 4. Conclusions and clinical significance of the results.

No more than 2 pictures/illustrations (TIF, EPS or JPEG high resolution files at least 300 dpi) and/or tables, and 4 references can appear in the submitted abstract.

NB: Abstracts will be published as "short papers" in the Proceedings of CONSEURO 2006 on the "Italian Journal of Operative Dentistry".

Each poster will be displayed for 4 hours. The area for each poster is 100 (width) cm by 200 (height) cm. Each poster will be presented by one author. All first authors must be registered to the Conseuro 2006. Each participant can only be presenter of one poster, while being co-author of more than one. The submission poster fee is free, but you have to pay the registration fees to the congress at the time of submission. The winners of the Gaba International and of the EFCD Awards will remain exposed until Saturday, February 11th.

The awards are in Euro and respectively 1st place: Euro 800,00 - 2nd place Euro 500,00 - 3rd place Euro 300,00.

The posters evaluation will be done by two different committees (one for each award) and based on: originality, materials and methods/scientific background, clinical relevance and scientific value.
